

MOTHER'S DAY--EVERY DAY

Mother to Child

M--More love for child than that of any earthly being.

O--Overjoyed by child's successes.

T--Teaching God's Word and values, training in social graces.

H--Helping the child in every need.

E--Encouraging the child in his or her endeavors.

R--Refusing to give up on the child.

S--Sacrificing everything for the welfare of the child.

Since 1973 almost 56 million would-be mothers in our country have forgone these privileges and responsibilities of being loving nurturers, choosing instead to become the murderers of their children through abortion.

Child to Mother

M--Make every effort to return a mother's love.

O--Offer your help in her every need.

T--Thank her, thank her, thank her!

H--Honor her, honor her, honor her!

E--Extol her in your heart.

R--Remember her, remember her, remember her.

S--Sacrifice for her as she has for you.

Since 1973 almost 56 million children in our country have never had the opportunity to do this because they were aborted,

Happy Mother's Day--Christian Moms!
