

ODDS N ENDS

Liberty is more than an ever-burning torch held mightily aloft by a heroic statue overlooking New York harbor. It is a weight of responsibility each American must bear forever aloft for every other person. Only when freedom is so conceived and so borne, with pride and with dignity of social conscience, does it lend significance to the bronze goodness gracing the gateway to our world.
Moments of Meditation

"In our country we have those three unspeakably precious things: freedom of speech, freedom of conscience, and the prudence never to practice either."
Mark Twain

Nature has never read the Declaration of Independence. It continues to make us unequal.
Will Durant
